The personal information provided by you is being collected under the authority of the *Municipal Government Act* and will be used for the purposes under that Act. The personal information that you provide may be made public, subject to the provisions of the *Freedom of Information and Protection of Privacy Act*.

The following MUST be submitted with the application:

- **Application fee of \$435.00 Cheque made payable to: Summer Village of Yellowstone**
- **A current title for each property being consolidated. Titles can be obtained from any Registries Office – (ownership information must match exactly on each title).**
- **This application MUST be signed by all owners listed on title.**

Note: The process of consolidating two lots is complete once the application has been approved, the plan cancellation bylaw has been passed and signed by Council, the required paperwork has been

registered at Alberta land titles and the updated land title is received by the municipality. It is important to note that as the current year's taxes are calculated based on the condition of the property at December 31st of the prior year, a consolidation of lots will **not** affect or amend the taxes in the year the consolidation is done.
