

# Summer Village of Yellowstone

## Administrative Policy

Number	Title			
A-ENV-BIN-1	<b>Bins for Waste and Compost</b>			
Approval	Approved		Last Revised	
(CAO initials)	Resolution No:	104-19	Resolution No:	
	Date:	July 19-2019	Date:	

### Purpose

The Summer Village of Yellowstone would like to regulate the number of waste and compost bins per property to ensure each lot has adequate and fair waste and compost removal and to ensure the Summer Village is within its annual approved budget for waste/compost removal. Residents have requested 2<sup>nd</sup> sets of bins from the Municipality.

### Policy Statement

Each improved residential lot will be approved the following:

- 1 waste bin & 1 compost bin

Each vacant residential lot will be approved the following:

- 1 compost bin

A consolidated and/or tied lot (vacant/improved, vacant/vacant, improved/improved) is considered to be one lot.

- 1 compost bin (vacant/vacant)
- 1 waste bin & 1 compost bin (vacant/improved or improved/improved)

### Policy Purpose

The Summer Village will not allow additional bins for the following reasons:

1. The cost of additional bins is \$100.00 each.
2. The Summer Village is charged additional monthly fees for each additional bin.
3. Tipping fees are charged on additional waste bins.
4. Costs for additional bins would have to be paid through the annual taxes.

# Summer Village of Yellowstone

## Administrative Policy

5. The Summer Village does not budget for the costs of additional bins or for the costs of additional waste removal.
